

Nik Iman

My main hobby is to study the fabrics that keep our society functioning and civilization advancing. Side hobbies are appreciating art in all forms, noticing small details, being the IT technician for my friends and families, daydreaming about my career, and trying to turn the daydreams into reality.

LEADERSHIP EXPERIENCE (SORTED BY IMPORTANCE)

SMKS Editorial Board — *Chief Editor*

MARCH 2023 - FEBRUARY 2024

- Arranged the board annual strategy.
- Reformed the board by introducing photo booths at school events that increased profits by 300%.
- Automated 90% of work using Google Apps Script.
- Revived the school's yearly magazine that stopped due to Covid-19.

OH MY CODE Competition: GoodFinds — *Chief Executive Officer*

MAY 2025 - AUGUST 2025

- Laid the groundwork of using VB.Net, Node JS, and JavaScript.
- Divided the group into 2 teams: backend and frontend with team leaders respectively.
- Doing daily check-ins with team leaders.
- Aided the debugging and merging process using GitHub.

DOWN TO EARTH: Teen Green Squad — *Head of Media Department*

SEPTEMBER 2024 - DECEMBER 2024

- A CSR project to restore poor kindergarten conditions.
- Set up social media profiles, planned promotional strategies to gain traction, and designed the squad's t-shirt.
- I planned my team movement, technical flow-of-event, and was the videographer on the day of the event.

MedTech Technical Handling Class — *Assistant Head of Logistics Department*

FEBRUARY 2025 - APRIL 2025

- A program by UTP Media and Technology club to teach about audio, visual, lighting, and floor management to amateurs.
- Liaised with external parties on the flow-of-event and ordering or loaning equipment for the event's use.
- Represent the Head of Logistics Department when he's unavailable.

PROJECTS

niquegraph — *My graphic design firm and studio.*

Niquegraph is an ongoing personal project of mine to offer unique graphic designing works and experience to clients by combining both of my passions: arts & technology.

The etymology of the name: nique from Nik (in french spelling).

<https://niquegraph.com>

Ruang Haus — *Small matcha and coffee business.*

Ruang Haus is a business owned by my childhood friend that we co-manage and co-operate together. While he specializes as the Barista, I give business advice, design the logo and promotional materials, and aid behind the scene operations. www.instagram.com/ruang.haus
